American Tibetan Health Institute Inc. v. Kam Ng, C & L International Trading,
Inc., and K & C International Trading, Inc. – **Index No. 13-CV-2763 (HB)**

Dear Judge Stanton:

At the conference held on Wednesday, June 12, 2013, we discussed the fact that the American Tibetan case, Case No. 13-CV-2763 (HB), had been marked for inclusion in the Pilot Project Regarding Case Management Techniques for Complex Civil Cases in the Southern District of New York (the "Pilot Project"). You decided and all parties agreed that in view of the complications already existing regarding the cases, involvement in the Pilot Project would do more harm than good. Therefore, you asked me to do whatever was necessary to keep the cases from inclusion in the Pilot Project, including the preparation of an order to be signed by your Honor.

According to the Standing Order M 10-468 issued by Hon. Loretta A. Preska, Chief United States District Judge dated October 31, 2011, which designates a case for the Pilot Project, the case is so designated "unless the Judge to whom the case is assigned determines otherwise."

I have prepared a simple order for your Honor which removes the American case from inclusion in the Pilot Project based on judicial discretion. If you think the order should contain more recitals, please let me know and I will submit an amended one to you for your consideration.
